

School Lunch Program

Fall Semester/Full Year Enrollment

Proper nutrition and positive eating habits are essential to the cognitive development and overall health of all students. Hill Top's Lunch Program is provided by Ithan Market, a local, family owned and reputable establishment located just a couple of miles from campus. (ithanmarket.com). Ithan Market provides our students with a wide variety of freshly made, high quality and nutritionally balanced lunches Monday through Thursday. Some examples of meals include homemade chicken pot pie, wraps and sandwiches with soup, pasta w/meatballs, lasagna and baked ziti, just to name a few. On Fridays, pizza is served from a local pizzeria.

The Hill Top Lunch Program enables parents to purchase healthy lunches for their child by the semester or for the entire school year. The lunch program covers lunch Monday through Friday. On Fridays, extra pizza is ordered for students not on the lunch program who wish to buy a slice or two for \$2/slice (while supplies last). Students not enrolled may also buy "leftovers" when available for \$6/meal.

If you would like to purchase lunch for your child for the Fall semester or for the entire school year, please complete this form and return it to Hill Top with the appropriate payment by Wednesday, August 31.

Lunches are not served on ½ days. Those who do not choose to participate in the lunch program for the fall semester will have the opportunity to enroll in January for the second semester. If you have any questions about the lunch program, please feel free to email me at dvandyke@hilltopprep.org.
