About Hill Top Preparatory School:

Hill Top Prep educates students in grades 5 - 12 who are challenged by difficulties with nonverbal learning, executive function, and social situations. Accommodations, an individualized curriculum, mentoring and group counseling, college counseling, and a pre-employability training program are hallmarks of our program. We also offer a transition year for high school graduates who need additional support before college, employment, or independent living, a boarding program to prepare students for independent living, a summer program that focuses on post-secondary transition, and a traditional summer camp experience for kids in grades 2 – 9.

For more information, visit www.hilltopprep.org.

The Hill Top Golf Classic is one of only two fundraising events we hold each year, and all proceeds support tuition assistance for students in need of financial support.
