## Michael McLeod, MA, CCC-SLP

Owner & Clinic Director  
Speech-Language Pathologist  
Executive Function Specialist  
Social Skills, Anxiety, ADHD

---

GrowNOW Therapy Services, LLC is a private practice owned by Michael McLeod, MA, CCC-SLP. Our central clinic is located in Media, PA. We provide unique, innovative, and engaging speech and language evaluation and treatment services, and specialized executive function coaching. Services are provided within the private clinic and also in the school settings.

Michael McLeod is an ASHA-certified Speech-Language Pathologist. Michael is highly trained and has numerous specialized certifications including PROMPT, Sensory Integration, DIR-Floortime, AAC, Counseling, and Cognitive Behavioral Therapy. Michael uses innovative evidence-based practices by recognizing individual strengths and interests, identifying areas for growth, and increasing intrinsic motivation to help them step out of their comfort zone, try new experiences, gain life skills, self-confidence, productivity, and resiliency.

At the beginning of the 2018-2019 school year, GrowNOW will be offering a screening and consultation for any families who have concerns regarding their child's speech and language, social pragmatics, or executive function skills. After the screening, you will meet directly with Michael to learn clinical recommendations and potential plans for therapy. Throughout the school year, Michael will provide weekly therapy sessions at Hilltop. This is a private pay service with a fee of \$90 per 45-minute session. Daily session notes are provided and classroom observation/teacher collaboration are completed at no extra cost.
